Laureline Larraz

Responsible Innovation & Collective Intelligence Lead

X By Design

"Innovation unfolds when we are inspired by the past, critical of the present, and open to the future."

Maxime Simeon

Founder of "La Frip'aMax"

"Just do it!"

Guillaume Moser

Consultant

Deloitte

"Everyone loves innovation, until it requires changing something."

Léa Fickentscher

Assistant & Event Coordinator

HEG & Lumen

"To innovate is to turn uncertainty into drive & the unexpected into growth."

Antoine Pinède

Scientific Collaborator & Researcher

HEG & UNIGE

"Innovation is to ask new questions about what everyone thinks they already understand."
